

Use HisStory to raise funds for your church or non-profit!

The “Wow” factor

Did you say ‘Wow’ when you first saw the art of HisStory? Many people have, and I think much of the reason behind this is the unique anointing God has put upon it in it’s creativity. It is unlike the usual Gospel presentation. This makes the book a great opportunity to share the good news with people in a non-confrontational way.

Burning Bush Creation wants to help your ministry or non-profit through HisStory. We’re offering believers everywhere a fantastic opportunity; to sell the book and use the profits of the sale for your work!

So, what does that mean?

As a salesperson of HisStory, you would be able to purchase books at 40% off and then sell the books for full price, using the money made to support your church, ministry or non-profit! This is a huge fund-raising venue!

Can you imagine your church’s entire youth group selling this book for a fund-raiser? One youth selling ten hardback books would earn the church eighty dollars profit and help spread the Gospel at the same time!

Who do I sell it to?

You can sell the book to friends, neighbors and relatives, creating opportunities for new friendships and church alliances! Believers buy the book not only for evangelism, but also for the wonderful art! HisStory makes a perfect coffee table item, as well as a 6 part bed time story. The book’s non-condescending language is also an effective tool that your congregation can use to share the good news.

If you were impressed by HisStory, you can see the innate value and marketability of the book, and thus the potential it has for your church and a world that needs Jesus! Join us in spreading God’s message through this unique book! See the back for sign up details.
